DESCRIPTION

This qualification reflects the role of individuals who apply project management skills and knowledge. Once graduated, students will be able to manage projects in a variety of contexts, across a number of industry sectors. Graduates will possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

THIS COURSE IS IDEAL FOR...

People wanting to enhance their career opportunities in the business world by diversifying their knowledge in a range of key business functions. This program is also suitable for experienced professionals with no formal qualifications wishing to improve their career advancement opportunities.

WHAT IS INCLUDED IN THE COURSE

This course follows the structure of the nationally recognised qualification - BSB51415 Diploma of Project Management

WHAT'S NEXT?

Graduates of the Diploma of Project Management can seek employment or continue advancing their knowledge with a bachelor's degree.

IT ALL ADDS UP WITH AICT!

So, when you finish you'll have in-demand qualifications and be ready to enter the workforce or increase your level of study.
